DETAILED ACTION

Continued Prosecution Application

1. The request filed on September 19, 2001 for a Continued Prosecution Application (CPA) under 37 CFR 1.53(d) based on parent Application No. 09/577,313 is acceptable and a CPA has been established. An action on the CPA follows.

Election/Restriction

2. Claim 23 is generic and allowable. Accordingly, the restriction requirement of Office Paper No. 2 is hereby withdrawn.

In view of the above noted withdrawal of the restriction requirement as to the linked species, applicant(s) are advised that if any claim(s) depending from or including all the limitations of the allowable generic linking claim(s) be presented in a continuation or divisional application, such claims may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 44 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

Allowable Subject Matter

3. Claims 23-33, 35 and 38-43 are allowed.

4. The following is an examiner's statement of reasons for allowance: Prior art of records fail to disclose or suggest a traction drive, for an elevator system, comprising at least one tension

member each comprises a load carrying rope and a polyurethane coating encasing the load carrying rope, and further has an aspect ratio (w/t) of greater than one. A traction sheave including a traction surface configured to receive the engagement surface of the tension member between take-up and take-off points on either side of the traction sheave such that the traction surface of the sheave and the tension member in a region between take-up and take-off points is transmitted through the polyurethane coating to the load carrying rope and moves the car and the counterweight, in combination with other limitations as recite in independent claim 23, and further in light of the specification.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
